

We would like to announce that The St. Bernard Health Department will be holding an H1N1 clinic that will be open to the public this Saturday October 31, from 10:00 am until 2:00 pm in the lower level of City hall. This clinic is directed for those in Tier 1 at highest risk. Tier 1 includes: pregnant women, anyone 6 months to 24 years of age, people who care for or live with infants younger than 6 months of age, health care and emergency medical personnel, and people ages 25 through 64 years of age who have chronic medical conditions or a weakened immune system.

We will have both the flu mist nasal vaccine available for ages 2 through 49 if healthy and Non-pregnant and a limited supply of injections for ages 4 years and older.

We ask that you enter the clinic from the side entrance closest to Fifth Third bank lot. Also, we would like to thank you in advance for your patience and assistance in doing all we can to assure that this clinic runs as smooth as possible.

Please see the City of St, Bernard website at www.cityofstbernard.org for additional updates and information. If you have any questions or concerns please feel free to call the St. Bernard Health Department at 242-7709.
