REPORTS OF VILLAGE OFFICIALS

MAYOR, Mr. Stuchell – We held our first department meeting last Thursday and have committed to working as a team to more effectively operate our village departments. There will be monthly department head meetings on the Wednesday before our COW meetings where there will be a heavy focus on monitoring our budget. I can’t thank this group of people enough for their dedication and I couldn’t do this without them.

We had a second meeting last night with Andy Knapp, Director of the Hamilton County Communications Center to discuss moving away from doing our own dispatching. We are working through issues and hope to have a decision made by our next COW meeting. I want to thank Chief Simos, Safety/Service Director, Tom Paul, and Safety Chair Ray Culbertson for their time and assistance as we work through this.

Safety/Service Director, Tom Paul will be discussing the Fire Department Monthly Report and I will be meeting with the Mayor of the Village of Elmwood Place next week to discuss the increased EMS responses by the St. Bernard Fire Department. With that being said, I would also like to welcome Elmwood Place Mayor Paul Furnish, who is in the audience.

The Dial-A-Ride bus will hopefully be up and running in the month of February. I distributed a survey to the St. Bernard Senior Citizens Club this week and we are
trying to determine the second day of operation that will be most beneficial to their membership. Thank you to Don Tobergte for his assistance in exploring sponsorship opportunities.

Please join me in the first “Coffee with The Mayor” on Saturday, January 18 from 9:00 to 11:00am at City Hall. Come enjoy a cup of coffee and a donut while you share your thoughts. I look forward to meeting you and if you can’t make it this time please know that there will be future dates that will be announced.

Summer job applications are available at City Hall or on the Village website. They need to be completed and turned in to City Hall by the end of February.

Sports signups for the Recreation Department will be held on Saturday, January 25 and Saturday, February 1 from 11:00 am to 2:00pm at the Recreation Office in the Municipal Building. Sign up forms are available at City Hall Monday-Friday from 9:00am to 5:00pm if that is more convenient. Activities include Knothole Baseball, Girls Softball, Swim Lessons, Mommy and Me Swim Lessons, Tee Ball, Stingray Swim Team, SAY Soccer, and Lollipop Soccer.

I would like to be put on the agenda for the COW meeting to discuss the Mayor’s Court Clerk and requiring training for Council and the Administration on the Ohio Sunshine Laws.

AUDITOR, Mrs. Brickwet – The Auditor’s office provided Council and the Administration with end of 2019 Expense and Revenue spreadsheets and Cash Fund Report. At the end of 2019 the Village’s expenses were $12,797,998.13 and the revenues were $13,164,548.81. At the bottom of the expense spreadsheet there is a breakout showing the difference from the original budget and the revisions for 2019.

ADDITIONAL APPROPRIATIONS $1,149,860.00

I removed the Water Works Revenue $229,099.62 since we were reimbursed to do that so even though it wasn’t an appropriation, we received the money for it. And when you take out theses decreased appropriations which totaled $541,290.28 that left the Village with $371,470.10 in true original appropriations.

ORIGINAL BUDGET $13,126,053.61

YTD SPENT $12,797,998.13

DIFFERENCE $328,055.48

2019 EXPENSES $12,797,998.13

2019 REVENUE $13,164,548.81
DIFFERENCE -$366,550.68

I'm hoping that everyone that keeps asking all those questions, the break out at the end of the year, this will help you understand the additional appropriations, the decreases and what was actually spent.

The Auditor’s office has prepared Resolution 1, 2020 for tonight’s meeting. This is the Meals and Entertainment Resolution the state requires to be passed every year to cover when items such as cookies, drinks, candy, etc. are purchased for Village events.

DIRECTOR OF LAW, Mrs. Valkenberg/Walden – I have been meeting with the Tax Commissioner regarding some collections of outstanding taxes. We need to move forward to get those collected. And I will be meeting with Mrs. Bedinghaus.

Mutual Aid Received: 2 from Norwood and 1 from Reading. Details of Interest: 3 non-breathers, 1 unconscious, 7 auto accidents and 1 overdose.

Tonight, I would like to give my Village’s resolutions for the new year. My most desirable wish is cleanliness. If people would just use the trash bins provided it would help immensely. We are going to make better efforts to up our part in this wish.

Next, would be less weeds and more paint. This takes manpower and efficiency. We will do our best and hope any surprises can be taken care of promptly so that we can carry this out. It is not always easy as other duties can take precedence and staffing is not always at capacity.

With the new position of Director of Public Safety and Service, comes more responsibility. My wish for this is that you receive the same quality of services that
you are accustomed to receiving. We will tweak the system as we look for improvements that can be made. My goal is to give you the very best. Lastly, that all departments and the citizens come together and help one another to accomplish these resolutions.

To My Community

This time of year can be troubling. We should investigate our internal closet for things that we may feel are causing uneasiness. A quarrel, disagreements or maybe just resentments. Remember also that most things should have an expiration date. You hang on for something too long it becomes rancid, before it makes you sick, make amends. Worn and tattered, if you are comfortable in your life then disagreements are just that, disagreements. Discard and travel on with an open mind. Envy forces you to become unaware of what makes YOU happy. So, replenish your supplies and start anew.

TAX COMMISSIONER/ADMINISTRATOR, Mrs. Helmes – I just want to say Happy New Year to everyone. I put in everyone’s mailbox the end of year for 2019, the tax revenues. We brought in $10,256,225.00. Refunds were $252,535.00. I also want to let everyone know the 2019 fourth quarter estimate statements were just mailed out. It is required by law to pay estimated taxes if you are someone who owes two or more years. If there are any question. Please give us a call at the tax office, 242-7710. And I just want to let everyone know that the 2019 tax forms are now available online at our website and in the office. We will also be putting some of the forms over in the St. Bernard Library soon. We will also do a mailing of the tax return this year to every household in the city. In the past we used a post card and I feel that may not be reaching everyone. Also, we will be open soon for a couple Saturdays closer to April to make it a little more convenient for people who can’t get here from 9:00am to 5:00pm. We will be open from 9:00am to 12:00 a couple of Saturdays.
