Concurrence**

Dear Mayor Estep:

I am writing to you regarding the Ohio Environmental Protection Agency's (Ohio EPA) review of the document titled, "Certification Report Explosive Gas Monitoring Probe MP-10 Abandonment" (Report), dated April 23, 2018. SCS Engineers submitted the Report on behalf of the Village of St. Bernard, for St. Bernard Landfill (Facility), located south of Bank Avenue, St. Bernard, Ohio. Ohio EPA reviewed the Report to determine compliance with Ohio's laws as found in Ohio Revised Code Chapter 3734, Ohio Administrative Code Rule 3745-27-12, and the Facility's explosive gas monitoring plan (EGMP), approved February 2, 2015.

Abandonment of explosive gas monitoring probe MP-10 took place on April 10, 2018. Ohio EPA found no deficiencies during the review. Please submit changes to the EGMP as an alteration.

If you have any questions, please contact me at (937) 285-6046 or by email at [maria.lammers@epa.ohio.gov](mailto:maria.lammers@epa.ohio.gov).

Sincerely,
