

2017 St. Bernard Holiday Light Contest - *Will Light for Food*

Ring in the holidays with your community by being a part of St. Bernard's second annual holiday light contest - *Will Light for Food* - hosted by The Village P.A.C. and St. Bernard Recreation.

We have 11 homes participating in the contest this year! Participating homes will be judged on Saturday, December 2nd, from 6-8:00 PM, by spectators, who will be asked to place a canned good(s) in the box located outside their favorite decorated home. Who are these spectators? YOU ARE!!! Whether you are traveling by foot or on the trolley, get out with your family & friends and enjoy the evening together. The trolley will run from 6-8:00 PM and boarding location will be near the intersection of Vine & Washington. The trolley will not stop during tour, but donation bins will be located near unloading zone. First place will be awarded to the home that has the most canned goods in their box and bin at 8:00 PM. All canned goods will then be donated to St. Clement's Food Pantry. A map that lists competing homes is below. Larger maps are available at City Hall.

CONTEST RULES:

1. **HAVE FUN!!!!** Homes are encouraged to have fun with this contest and be creative in their approach to secure the most donations. All bets are off!!
2. Vote for what speaks to you - whether that is based on the number of lights, the overall design, creativity, number of inflatables, the simplicity, or simply because you are related to them.
3. Donate freely with your canned good(s)! No limit! We simply ask that each entered home does not vote for themselves. Fair enough, right?
